Consent For Criminal Record Check

Stl'atl'imx Tribal Police Service

Are you an applicant for a paid or volunteer position with a person or organization responsible for the well-being of one or more children or vulnerable persons?

NO Yes If you answered yes complete the section below

Consent For A Criminal Record Check For A Sexual Offence For Which A Pardon Has Been Granted Or Issued

This section is for a person applying for a position with a person or organization responsible for the well-being of one or more children or vulnerable persons, if the position is a position of authority or trust relative to those children or vulnerable persons and the applicant wishes to consent to a search being made in criminal conviction records to determine if the applicant has been convicted of a sexual offence listed in the schedule to the Criminal Records Act and has been pardoned.

Reason for the Consent:

I am an applicant for a paid or volunteer position with a person or organization responsible for the well-being of one or more children or vulnerable persons.

Description of the paid or volunteer position:

Name of the person or Organization:

Details regarding the children or vulnerable person(s):

I consent to a search being made in the automated criminal records retrieval system maintained by the Royal Canadian Mounted Police to find out if I have been convicted of, and been granted a pardon for, any of the sexual offences that are listed in the schedule to the Criminal Records Act.

I understand that, as a result of giving this consent, if I am suspected of being the person named in a criminal record for one of the sexual offences listed in the schedule to the Criminal Records Act in respect of which a pardon was granted or issued, that record may be provided by the Commissioner of the Royal Canadian Mounted Police to the Minister of Public Safety and Emergency Preparedness Canada, who may then disclose all or part of the information contained in that record to a police force or other authorized body. That police force or authorized body will then disclose that information to me.

If I further consent in writing to disclosure of that information to the person or organization referred to above that requested the verification, that information will be disclosed to that person or organization.
